

Great Eastern Energy Corporation Limited (“GEECL”)

Raniganj (South) CBM Block

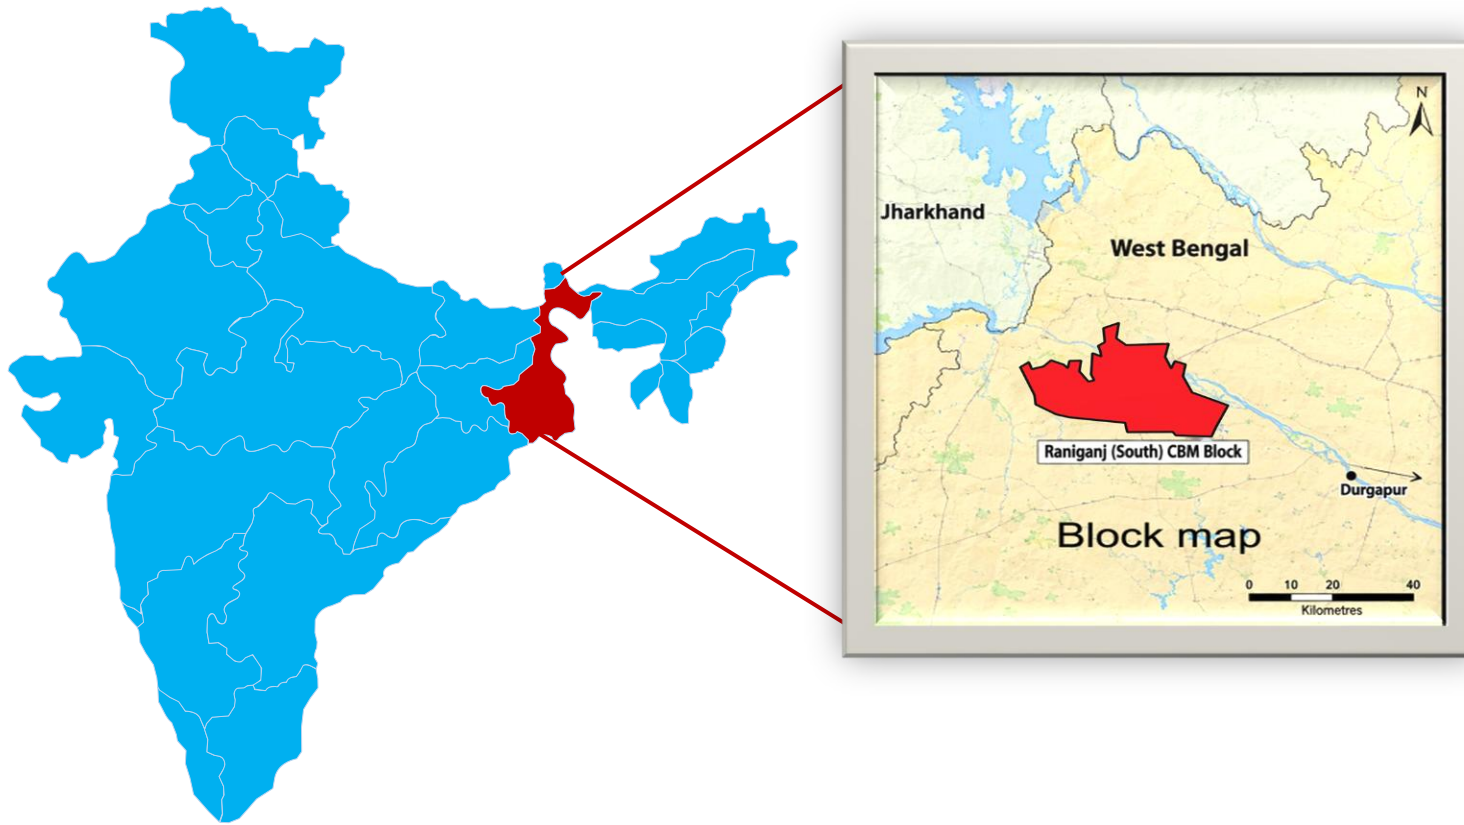

Corporate Presentation
October 2026

Raniganj (South) CBM Block operated by GEECL

India's pioneer in Coal Bed Methane

Producing and supplying natural gas since 2007

Block details

- 210 km² in West Bengal
- 200 km North-West of Kolkata
- Adjacent to Asansol-Durgapur industrial belt
- 100% Participating Interest
- Contract signed in 2001

Integrated infrastructure supports production growth

FROM PRODUCING WELLS TO THE END CUSTOMERS

01

Producing wells

Gas produced at well head

02

Intra-field network

MDPE Pipeline network connects wells to the GGS

03

Gas gathering station (“GGS”)

Dehydration and compression of gas

04

Dedicated steel pipeline for gas supply

Gas is supplied to customers

Existing infrastructure provides a scalable platform for higher production volumes

GEECL's Operations and Infrastructure

GEECL's Vision, Mission, & Core Values

Vision

Unlocking the full potential of Raniganj (South) block through innovation and sustainable growth

Mission

- Responsible energy development
- Sustainable operations
- Stakeholder value creation
- Energy security for India

Core Values

- Safety
- Integrity
- Sustainability
- Innovation
- Excellence

Certified resource base supports multiple growth pathways

2.6 Tcf

CBM OGIP

156 wells drilled till date

650 further wells planned

SHALE UPSIDE

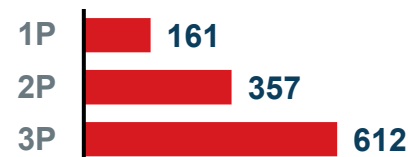

8 Tcf

Shale Gas OGIP

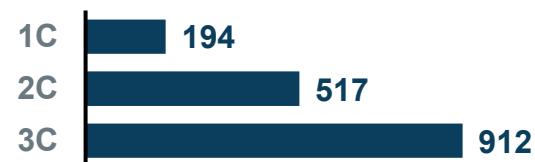

10.6 Tcf

Total OGIP

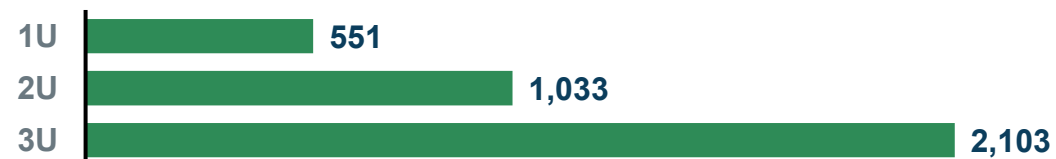

CERTIFIED VOLUMES (Bcf) RESERVES

CONTINGENT RESOURCES

PROSPECTIVE RESOURCES

Growth strategy advances from restoration to scale

RESTORE → DEVELOP → EXPLORE → MONETIZE

01

Efficiency
enhancement of
existing wells

COMPLETED

02

Drill new wells

DEVELOPMENT

03

Explore shale
resource potential

EXPLORATION

04

Stakeholder value
creation

MONETISATION

Four integrated pillars for growth

Experienced Board combines execution and oversight

Yogendra Kr Modi
Founder & Executive Chairman

Prashant Modi
Vice Chairman & Managing Director

Pankaj Ramanbhai Patel
Non-executive Independent Director

Asha Modi
Non-executive Director

Ambika Sharma
Non-executive Independent Director

01

Environmental

- Production of clean natural gas
 - Sustainable practices
 - Tree plantation
-

02

Social

- Healthcare & Hygiene
 - Children Education
 - Women skill development
 - Rural infrastructure development
 - Inclusive approach
-

03

Governance

- Experienced Board of Directors
 - Independent oversight
 - Code of Conduct
-

04

Health & Safety

- Safe workplace
 - Emergency response preparedness
 - Safety drills & audits
 - HSE training & awareness
-

Corporate Social Responsibility
